- 1.3 The term “Association” as used in this Agreement shall mean the Northeast Educational Organization.
- 1.4 The term “School District” as used in this Agreement shall mean Northeast Unified School District No. 246.
- 1.5 The term “Administrator” as used in this Agreement shall mean Superintendent, or chief school administrator or building Principal.

## **ARTICLE 2**

### **RECOGNITION**

- 2.1 The Board of Education recognizes teaching as a profession and the Northeast Educational Organization as the organization which represents all professional staff personnel of the School District.

## **ARTICLE 3**

### **PROFESSIONAL DAY & YEAR**

- 3.1 Elements of the professional day for Teachers shall consist of:
  - a. The presence of the Teachers during those hours when school is in session.
  - b. If a Teacher needs to be absent from the school grounds at any time that school is in session, the Teacher must have permission from the building Principal, or if that administrator is absent, from another administrator.

- c. The school day is defined as that period of time from 7:45 a.m. to 3:45 p.m.
- 3.2 The basic teacher's primary contract is for one hundred eighty-six (186) days.

## **ARTICLE 4**

### **LEAVE POLICY**

#### 4.1 Sick Leave

- a. Teachers shall be entitled to eleven (11) days absence each school year without loss of pay when such absences are caused by or contributed by personal illness of the employee or spouse, a hospital-confined illness or death of a near relative, quarantine of the employee, or illness of a child of the employee. The use of sick leave shall also be allowed to take a near relative to or from the doctor's office or hospital.
- b. Once earned, sick leave above one hundred (100) days will not be dropped until the end of the school year so that absences at the end of the school year will not decrease accumulated sick leave. Any unused sick leave may be accumulated to a maximum of one hundred (100) days, all or any part of which may be used in any given year for absences covered by this agreement. The employee will receive the amount equal to a substitute's daily rate of pay for any unused sick days, or a portion thereof that exceeds 100 days. This amount will be paid to each employee with the July paycheck.
- c. Upon retirement, a Teacher who has reached the minimum age of 53, who has taught in Northeast Unified School District No. 246 for at least ten (10) years, and who is leaving the teaching profession, shall be reimbursed \$30.00 per day for one-half (1/2) of that employee's accumulated sick leave days. Days contributed to the sick leave bank pursuant to Article 17 below shall not be considered in the calculation of any sick leave or other benefits payable upon retirement.
- d. For the purposes of this Article, a near relative is defined to mean the spouse, brother, sister, son, daughter, grandparents, grandchildren, parents of the employee, and parents of the employee's spouse.

#### 4.2 Personal Leave

- a. Teachers covered by this Agreement shall be granted three (3) days personal leave each school year. Personal leave shall be defined as any leave taken by the Teacher to perform any personal business of said Teacher. Said Teacher shall be the sole judge as to whether such leave is for personal purposes.
- b. Personal leave may be used the day before or the day after a scheduled school vacation, holiday, or the last week of school, provided a substitute can be obtained.
- c. At the end of each school year, each Teacher who did not use his or her personal day(s) shall be reimbursed at the rate of substitute pay for that year per unused

personal day, or add his or her personal day(s) to his or her sick leave. The reimbursement to each Teacher for unused personal days shall not exceed three (3) days of substitute pay per school year, or exceed the total number of sick days allowed per teacher.

#### 4.3 Leave of Absence

After ten (10) years of service with the district, teachers shall be allowed to take one (1) unpaid leave of absence with the guarantee of resumption of a teaching position upon the completion of the leave of absence. The leave shall consist of one school term, generally one complete school year. Reasons for said leave of absence shall be for educational purposes or reasons subject to the approval of the Board of Education. Tenure, accumulated sick leave, and placement on the salary schedule shall be continued at the same level during the period of such leave. The Teacher shall be allowed to remain a participant in the School District's group health insurance plan so long as the Teacher pays the premiums.

#### 4.4 Jury Duty

Teachers shall be allowed temporary leave when summoned to Court for jury duty during such time as the Teacher would regularly be assigned for instructional duties, with no reduction in pay. The Teacher shall advise the Administrator of being summoned for jury duty as soon as is reasonably practicable, so that alternate arrangements such as a substitute Teacher can be made for the Teacher's classes. The Teacher shall report for work on any school day or part of a day that he or she is excused from jury duty.

## **ARTICLE 5**
