## Cold Weather is Coming to Town!

As cold weather hits Southeast Kansas, please make sure that your children are prepared for the elements. If you feel that you may have trouble getting coats, gloves, or hats for your child please let the school know. There are many community resources that are happy to help keep our students safe and warm!

- Mr. Wade and Mrs. Christman took their 5th grade classes to Greenbush to participate in their "ropes course". According to Greenbush, "the course consists of low course elements that are made to increase team-building, leadership, communications, and group success." The course also features obstacles to foster self-esteem and help students to set personal goals.

All Home Basketball Games will be at the H.S. and start at 6:00.

Admission — \$2.00 for adults  
- \$1.00 for students
