

HELP US SET A WORLD RECORD!!

and "make a world of difference"

The Northeast High School (Arma, KS) chapter of Kansas Association for Youth is out to set a new world record and we need your help.

Our goal is to assemble 1001 people and 1000 teddy bears to make a chain. This will break the current record of 631 people and 630 bears. We will then donate the bears to Crawford County Sheriff's Department, local police departments and local hospital pediatric units.

We are asking that your group join us in collecting toys (and a world record). ***The event is being planned for March 27, to be held on the campus of Northeast High School in Arma.***

A LITTLE BIT ABOUT US:

The Kansas Association for Youth (KAY) is a character-building, leadership-training, service program directed by the Kansas Stated High School Activities Association. This nationally acclaimed organization provides students an opportunity to learn to assume their citizenship responsibilities and to enrich their personalities through well-organized programs, projects and parties. Programs educate, inspire and direct members into carefully planned service projects. These projects emphasize four areas of service - school, community, nation and world.

The Kansas Association for Youth is a student association unique to Kansas. The KSHSAA proudly offers this activity to Kansas students, through its member school, as a means to "make a world of difference" for current and future generations.

NORTHEAST HIGH SCHOOL is located in Arma, Kansas, and serves the communities of Arma, Franklin, Mulberry, Arcadia, and surrounding areas. Current enrollment stands at approximately 180 students in grades 9-12.
